THE FESTIVE SEASON 2024

# WELCOME TO OUR HOME

We extend a very warm welcome to Goldsborough Hall, our cherished family home that is steeped in history and heritage. Whether you're here to dine or stay with us, we invite you to experience the magic of this stunning house that was once the first family home of Princess Mary in the 1920s.

Houses like this were built for entertaining and there's no better time to experience this than during the festive season. Our rooms come alive with roaring log fires, beautifully adorned Christmas trees with twinkling lights, the aroma of mulled wine, and the taste of delicious food. It truly is a magical time to visit the Hall.

We have planned a range of events throughout December from festive dinners to wreath-making workshops and our popular Murder Mystery evening.

However you choose to celebrate the festive season at Goldsborough Hall, we hope you enjoy your visit. And who knows? It might even snow!

Warmest regards,

*Mark and Clare Oglesby*
